Eurobump Eurobump Eurobump

Istanbul Turkey

Eurobump was founded in 1990 to meet the significant demand for plastic bumper coming from the local market.

Since 2002 and in recent years, our production of plastik bumpers, bumper grille, moulding and fenders has constantly adapted to the evolution of the European car market, rapidly changing.

EQUIP AUTO ALGERIA

Our exports currently cover 100 countries around the world, reaching all continents. Our professional team, the large capacity and high technology of our plants, places us among the most reliable European manufacturers of spare parts. Our range is constantly evolving and, in combination with our quality and service levels, let us to achieve an excellent customer satisfaction.

Production Production Production

Our bumpers are manufactured using high quality raw material, combined with the use of modern technology such as CAD/CAM system, our own tooling shop, CNC injection molding machines, painting shop, ultrasonic and hot welding robotic equipments.

Our investments potential is very important and we can now offer an average of 30 new items per year.

CERTIFICATE

The Certification Body
of TÜV SÜD Management Service GmbH
certifies that

EUROBUMP

EUROBUMP OTOMOTIV
SAN.VE TİC.A.Ş.
CHANGIR MAH. SARIZYBEK CAD. NO: 12/1
AVCILAR
34310 İSTANBUL
Türkiye

has established and applies
a Quality Management System for

Foreign trade, customs, management and
administrative organisational activities and services
provided through these activities and marketing and sales of
automotive side industry products for passenger
cars and commercial vehicles

An audit was performed, Report No: 707095065

Proof has been furnished that the requirements
according to

ISO 9001:2015

are fulfilled.

The certificate is valid from 2019-04-12 until 2021-03-25.

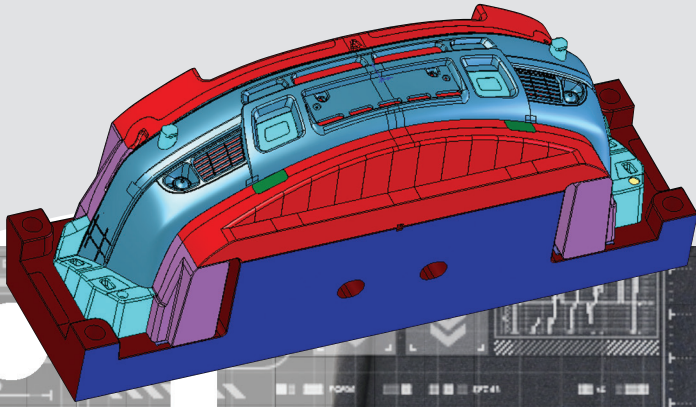

Previous certificate valid until 2018-03-25.

Certificate Registration No.: 12 106 48777 TMS.

U. Meyer
Product Compliance Management
March 2019

EUROBUMP bumpers, bumper grille, moulding and fenders are manufactured in our high level production plant having following quality certificates.

- ISO 9001: 2015 Quality Management Systems
- ISO 27001: 2013 Information Security Management Systems
- ISO 14001: 2015 Environmental Management Standard
- OHSAS 18001: 2007 Occupational Health and Safety Management Systems
